We are proud to be an Equal Employment Opportunity and Affirmative Action employer, including females, minorities, protected Veterans, and those with disability.

CAPABILITY STATEMENT

We are a licensed contractor by the State of Connecticut to perform Hazardous Materials Abatement and Demolition. Fully insured, bonded, certified, we have the capacity to complete projects ranging from \$1,000 to 4 million dollars and complexities. Committed to execute each client's project, we meet work schedule and objectives safely and within budget from concept to completion. With a history collaboration with our vendors, contractors and owners, we are fortunate to have formed lasting relationships that become the foundation of our continued success. Our clients includes Federal, State, Local Municipalities and Private Sector clients. We are Signatory with Local Union 455.
